II. The Storm-Maker

- *Suddenly-* this is a phrase that represents how storms occur in our lives
- *The Almond Tree-* the almond tree almost seems to be sleeping even looking dead but just when it appears to be without life; it begins to bloom.
- *A lesson from Jeremiah-* sometimes the storms of life will come up suddenly without warning, life will have a way causing storms suddenly

The story of the little boy who was a storm-maker

There was a little boy who was a storm maker. He had a stormy beginning from his inception. His mother became pregnant with him, and she was looked upon with ridicule and shame because she became pregnant with him before she was married. Everywhere this little boy went storms of chaos followed. He was the eye of the storm and in the eye of the storm all at the same time. He caused a storm when he went about in the synagogue. This storm maker came and blew the minds of all those who transpired to be against him. He caused a storm in the house of Zebedee and made 2 brothers leave the family business of fishing; he made them become fishers of men. This boy caused yet another storm when he healed the sick on the sabbath and caused the blind to see, it disrupted the flow of everything that was. The storm-maker grew to cause hurricane magnitude; he knew there were people who needed him, and crowds would follow him in order to receive healing. No one had ever seen such a storm as the boy caused. People where tired of this storm-maker and begin to plot to destroy this storm. But little did they know this storm maker came to cause disruption so that all may have life!

You can overcome because you have the storm-maker (Jesus) on your side, and he can calm whatever you are going through.

- Will you see Jesus in the midst of your storms?
- What winds of adversity are you in now?
- Do you believe that God will keep you in the midst of your storms?
- Can you whether the storms and proclaim “I see Jesus”
- Will you say” I see the SON instead of my issues” because “I see Jesus instead of my issues”
- There is nothing to hard for God; he knows the when, the where, and the why of everything that you go through.
