Lesson 19 Part 1- Re-Cap **Women Professing Holiness**

The creation that God created is still doing the things that God created it to do. When you look and see the Glory of God you know that you are here by design. We are 1 day closer to the end; we may not know what the end will look like but know that the end will come. Learn to stand on the word of the Lord before you step out

Stop! Look! Listen!

Holiness is a way of living and being

Defining The Topic

1. Profess: to announce; to proclaim; to confess; to proclaim by speaking or by lifestyle; to acknowledge.
2. “ing”: continuous action on the verb.
3. Holiness/Godliness: sanctification; separation to God; personal conduct; Christian character; right relationship/attitude to God.
4. Profession: declaration; acknowledgement; that which one declares or believes.
5. Sobriety: sound judgment; governing oneself properly; temperate.
6. Shamefacedness (correct rendering should be “shame fastness”): modest behavior; the modesty which is “fast” or “rooted” in one’s character.
7. Shame: Refers to one’s character – having a sense of “shame” or “modesty”;

You can only profess what you know; you can’t profess holiness if your not Holy
What does Holy mean? = Holiness is a life style; it’s your everyday living;
remember you have been delivered which means that you “be first” and then “do”

Sisters living in holiness is a proclamation; it’s a way of being- “ing” is a continuous action.

Lesson 19 Recap | 12/05/2021 | “Women Professing Holiness” – I Tim 2:10

The Times/Culture

- Remember that Timothy is a letter to the church about being steadfastness, when you read the letters be sure to read the book as a whole.
- The focus scripture is dealing with women working together in 1 accord without discord.

The Occasion for Writing the Acts

During the times there was a temple of the Goddess Diana; the Diana statue was a woman with a bare chest; it was one of the wonders of the ancient world. When ships came into Ephesus the first thing that could be seen was the temple of Diana.

Ships came and were drawn to the temple; The temple had a celebration of the Goddess who deemed the mother of all the Earth. During the idol worship there was heathen worship full of debauchery, drunkenness, and psalms, hymns, and spiritual songs to this idol. (Note when Paul talks about singing psalms, hymns, and spiritual songs he is referring to Christians to sing in spiritual Ness)

There was and still is a charge that all women must adorn themselves with holiness through God.

Professing Your Profession (Let your walk line up with your talk)

- Your daily living should reflect what you profess
- You live what you profess and profess in what you live
- Do you smell good for God through your character?
- Are you holding- fast your profession of God?
- You will make mistakes; but you are constantly growing up into God
- Pray for your tongue; pray the prayer of David that he could put a bridle on his tongue
- Will you allow God to guide your tongue? God died for everyone no matter how we may feel.
- Allow God to help you control yourself in the midst of you walking in Holiness
- Profess your Godliness by doing good works; let your profession be good
- Don't profess one thing and then display something else

Lesson 19 Recap | 12/05/2021| *“Women Professing Holiness”* – I Tim 2:10

- If you are going to walk in the light than you are to display in the light
- What is your relationship with God?
- What is your profession for God; Can you tell of his glory everywhere you go?
- Your profession is your confession of the goodness of our Lord Jesus Christ!
- Before we do anything, we must always; Stop, Look, and listen!
