Questions To Consider

1. Talk about the two ways that are presented to us when we face issues in life.
2. Since there are only two ways, does that mean that there are only two solutions to consider when you are making a decision? Or can there be many solutions but only two paths?
3. How can you bring your spirit, soul and body into conformity so that the you will be made whole?
4. Does "wholeness" mean that you will always make the right choice?
5. Talk about I John 2:16 - the lust of the flesh, the lust of the eyes, and the pride of life.
6. Why are we more prone to follow the emotional path?
7. Does God ever give up on us when we make the wrong choice? What is our way of restoration? (I John 1:9)
8. Talk about "sowing" and "reaping" and what this represents.
