- ✚ A lot of the things we think are mental, but sometimes things are due to past behaviors
- ✚ Sometimes we can't always see the unhealthy behaviors because of our unhealthy minds
- ✚ The Lord wants us to be complete
- ✚ Perfection = being whole with yourself
- ✚ We make mistakes because we are still human and in our earthly bodies; You're going to make mistakes but when you do...don't allow it to take over your mind or behaviors
- ✚ All things become new, it doesn't happen over night

Lesson 12 Re-Cap- September 19, 2021  
"The Woman With An Issue"

**A healthy mind makes all the difference (in how you see yourself and how you process issues)**

- ✚ The Lord wants us to be sound in mind  
The body, mind, spirit  
**Spirit** =what God gives, and we have no control over how he gives it  
**Mind**= what dictates the things that come from out of you  
**Soul**=your mind, your will, your emotions, it's the part we must work on daily
- ✚ We must put good and Godly things in our mind. Because if the mind gives wrong direction it effects the body. Your body is just a vehicle it does whatever the mind tells it to do
- ✚ Mental health issues are real; sometimes, life will cause you to have issues.
- ✚ You must go the doctor(the Lord)...get help when you need it
- ✚ Make up your mind to get the solution for your issues
- ✚ Behaviors are sometimes a result of not following God
- ✚ Your mind is a filtering system, if you work to filter out the junk then God can step in and provide peace of mind.
- ✚ What's in your mind is how you see yourself

What do you see when you look in the mirror?

Look in the mirror and tell yourself you are beautiful!

**YOU ARE NOT YOUR PAST**

Living in the past will poison your future!

Your sitting at the table covered with God's tablecloth of righteousness

Lesson 12 Re-Cap- September 19, 2021

Why can't you forgive yourself?

Nobody has the right to go under your table and mess with the lameness that is covered by God's righteousness

The sea of forgetfulness is real

The condition of your mind effects how you feel and process  
Filter the negative and allow God to penetrate your mind

The woman got past her issues by not following the normal  
As you strengthen your vertical make a conscious effort to reach God

The woman didn't change the issue but changed her focus  
Scripture is the well of Life; When you seek God, you begin to live and abundant life
