Lesson Outline

When going on a trip you pack a “just in case” bag (those items that you really don’t need.) This lesson is designed to help you be equipped on your spiritual journey so that you unpack those things that are not necessary on your spiritual journey

God has already equipped you with everything you need for this journey called life

1)In the Presence of Grace and Truth

- Look at the shadows in your life to begin to unpack those things that are not necessary.
- Get what the master has to give you; make the exchange- (get for in exchange for)
- Only when you have been stripped, torn down, and been renewed only then can you begin to strengthen others.
- Get out of your denial and begin to transform so that you can unpack
- You can play in the shadows trying to play hide and seek if you are truly trying to make a change

Lesson 31-Part 2 Recap | 03/20/2022| “God’s Daughters Reigning as Heirs”

- You don’t know it yet...but God is bringing you out of the shadows so that you can do his will
- Can God trust you in order to bring you out of the shadows

2) Lovest Thou Me

- God knows your heart; don’t trust yourself. Wait on God to fulfill you with his glory
- Do you love God to lay down those things that are holding you in the shadows?
- Do you love God enough to deal with the criticism from others?
- Do you love God enough to put up when people do you wrong?
- Do you love God enough to continue to lay down the things of this world so that you may be filled with what God has prepared for you?

3)Unpacking to Pack

- What things are you continuing to carry in your bag that needs to be unpacked
- Stop carrying stuff that you don’t need; evaluate yourself
- Everyday there is something that needs to be unpacked
- Stay at the cross of Jesus’s feet; it’s a daily transition

What does it mean to be burned?

*When things are being burnt the old things are being healed with the honey;
Honey is designed to help healing begin from the inside and then work it’s way
out.*

Are you protective of the word that is within you?

We must die daily!

- Are you dying daily for the Lord?
- When you give God your ashes (burnt things) he will give you beauty
- All of us are on a journey of putting off; what will you put off for the Lord?
- We are reminded each Lord’s Day to put off the shadows; it’s the cross!
- Pray that God will keep you near the cross so that you can continue to put off the issues that need unpacking
- Strengthen your vertical relationship is a task you must do daily!

Remember that praise will lead you to peace!
