LESSON OUTLINE

Everything the Lord has said shall come to pass, so there is no reason for you to worry. When you don’t know the way trust in God

I. The Struggle

- Living in faith is always a struggle
- Faith always has to have a struggle; the object of our faith is the Lord. He is the object to which you are trying to get too.
- You must be a doer of God’s word and not just a hearer
- Obedience is the key to having an abundant life.
- IF you’re living by faith you’ll be filled with the joy of the Lord
- If you’re living in the joy of the Lord, you will always be able to focus on your vertical relationship.
- There is an advantage to living by faith is that you have a firm foundation, you have shelter in the time of storms.
- You’re not alone in this life; you have the word, and the word will never go away.
- In this life you’re going to face trials; you’re not shielded just because you call yourself a Christian.
- Trials are common in this life and should be expected when they appear.

II. Show me the way

- Hear in the Greek means to hear and act in what you say and believe, which essential means you have to live in faith.
- IF God is the object of your faith, you expect and long for it
- You have to do in order to put your faith into action

How your faith overcomes your fear- an example from 2Chron 20

1. *In life there are going to be somethings that happen that will activate your fear!*
2. *Jehoshaphat sought God; and reminded God what he said in his word- (He remembered what God said in his word and so should you)*
3. *God’s word does not change; his word remains the same*
4. *During the battle the people stood before the Lord and the Lord answered*
5. *The Levi’s offered praise and God showed up and delivered*
Judah = Means Praise
Jerusalem = Means Peace
6. *God told them to look at me and don’t be afraid;(vertical & Horizontal)*
Stand still & Fear Not

III. Praise is the Key

- In your life when anything is coming against you the first step is to send Judah first.
- When you send Judah first you send a praise up; when praises go up it moves God.
- When praises go up it confuses the enemy; Send Judah first!
- You don’t wait until you win the victory; you can praise in the midst of your valley’s.
- When Judah was in the valley (the place where things were dead) they battled the enemy with their praise and God brought them to their Jerusalem (place of peace)
- You may not be able to see the enemy; trust that he is always around
- Remember to ask, hear, and believe in God’s word so that you may overcome the enemy.

Lesson 24 Recap | 01/ 09/ 2022| “God’s Daughters Reigning as Heirs”

- Remember that greater that is within you because you have already been granted the victory!
- God wants you to get to the place of peace! (**will you put your whole trust in him**)
- Stop trying to figure things out; allow the Lord to direct your path!

We all need God to show us the way because we are not smart enough to do it on our own!

Trust in the Lord with all thine heart and he will direct your path!
