

## Lesson 8: August 15, 2021

### *"SisStars Standing Strong: Being a Strong Christian Example"*

#### I. Overview/Word Meanings

1. **Standing:** Maintain your position; remain steadfast; endure, resist;
2. **Strong:** This is an adverb which means to be firmly grounded; to be loyal. This tells "what kind" and points to a particular subject.
3. **Being:** This is a verb - the present participle of the verb "to be." It is used as a connecting verb to express obligation - and used in a continuing sense.
4. **A:** This points to something definite - something specific;
5. **Christian:** This is also used as an adverb which modifies the subject. We know what a Christian is - one who has obeyed the Gospel - a follower of Christ. So this word also tells "what kind" and points to a particular subject.
6. **Example:** This is the subject which the two adverbs "strong" and "Christian" modify. This word means "a mode of behavior to follow."
