LESSON OUTLINE Recap - January 31, 2021

1. Definitions

- a) Find: to detect the true nature of something; to come upon through observation, experience, or study.
- b) 'ing: a continuous action on the verb
- c) The: a specific thing.
- d) Peace: #1: absence of turmoil or other hostilities; an agreement or treaty to end hostilities; freedom from quarrels and disagreements.

(This "peace is not real peace, for this peace depends on people. This peace is not a lasting peace, but more like a truce. Just because people are not fighting, and hostile does not mean that they are at peace - it only means that they have agreed not to "fight" - they have not agreed that the issues have been resolved.)

Peace: #2: Harmonious relationships between men; a sense of rest and contentment; wholeness; This "peace" is the peace that we are going to explore.

e) Within: In the interior; the inner being a specified place; not beyond or outside of this place.

e) Christ: The Place where this peace is found

The following is an overview of the audio lesson- Please review and stay encouraged 😊

Getting Through, What You Are... Going Through

"To every thing there is a season, and a time to every purpose under the heavens" Ecclesiastes 3:1

I. What is Peace?

1) Contentment which comes from God because of your relationship; with Him - the **VERTICAL RELATIONSHIP**

2) Harmonious relationship with others because of your relationship with God - the **HORIZONTAL RELATIONSHIP**

- ✓ Real peace is an inner quality- it is a dependance on your relationship with God. When you cross the two you get a cross, which should be our center of everything we do.
- ✓ Real peace comes from having hormone replacement therapy.
- ✓ You can have peace that will free you from all fears; The word says we can do all things Phil 4:13

II. Finding Peace!

- ✓ We must seek peace and go after it! (The peace of God is what gets us to the peace that passes all understanding)
- ✓ You gain peace not because of where you are or what you are going through...we get peace because we are dependent on God.
- ✓ To find peace forget those things that were before; (Leave your past)
- ✓ We can rejoice because we have a seat at the King's table!
- ✓ At the table of God everything we need is already prepared (ask God to pass you some peace from his table)
- ✓ If you have disputes; work them out with your fellow sister or brother; keep the bonds unity.
- ✓ There is a promise waiting for each of us; (To get to the promise we have things we have to do)
 - Step 1- Rejoice in the Lord
 - Step 2- Be gentle and kind to all men(people)
 - Step 3- Be obedient to the will of God.
 - Step 4- Do not be anxious for nothing; instead, pray about all things.
 - Step 5- Have an attitude of Thanksgiving.

The promise is contingent upon you doing the steps; follow God's word and watch the promises unfold.

Find your peace and let God renew your mind.

III. Keeping the Peace!

- ✓ You keep the peace by your mind; What you put in your thoughts are what keeps your peace.
- ✓ Your thoughts determine your actions; (what is in your heart is what will come out)
- ✓ Adjust your thinking; if its not aligned with the word of truth than you need to get back to the word.
- ✓ If you are a doer of the word; God will manifest his presence in and through you.
- ✓ Your peace is your power!
- ✓ Peace is your result of your actions.
- ✓ Peace is where you can go not what you began.
- ✓ Situations and circumstances will come; but you have a way of escape and that is by studying God's word and keeping it in your heart.
- ✓ Everyone has issues but we have a way of escape.
- ✓ Seek peace during trials.
- ✓ Learn to stand on the word of God amid your issues.
- ✓ Sistar you can have peace like a river; you will have trials, but you can overcome.
- ✓ God is bigger than anything that you may be going through!
- ✓ You must pursue the peace and be willing to do all that you can to preserve the peace that God gives you.
- ✓ Peace can be yours only if you allow the word of God to transform you from the inside and out!
