Questions to consider:

1. In looking at Ps. 124, can you see the overwhelming awe that David felt when he realized that the "THEN" directed related to the "IF."
2. Can you think of a time when this was true in your life? If "this" had not happened, "then" the outcome would have been different.
3. Do you think that it's okay to question God? Why or why not?
4. Have you put conditions on your relationship with God, your family members, or with other SisStars?
5. How can you come into a completely trusting relationship with God - and how will you allow this to come about?
6. Do you see how the VERTICAL directly relates to the horizontal? How does it impact your horizontal issues?
7. Have you ever put a "fleece" out like Gideon?
8. Do you value your relationship with God in such a way that you can have a continually victorious and trusting relationship?
9. Is it difficult for you to trust completely - especially not having any idea of what the outcome of your situation will be?
10. Is it difficult to trust completely when you may feel like you are suffering from the "Job Syndrome?"
