

"GOD'S DAUGHTERS REIGNING AS HEIRS AND JOINT HEIRS"

"WHAT DO YOU SEE?"

I. The storms are coming.

- No matter what season of life you are in you will have a storm to come.
- You are going to have issues; you can face them with the ‘son’ in your life.
- There are storms of life = A disturbance in the natural
- Being a daughter to the heir allows you to go through storms without fear.
- Has God become a reality in your life?
- Which storm are you going through?
 - Grief, Fear, anxiety, family, church, job, life
- Do you have a pity party when the storms of life begin to overcome you?
- Who Do you see in the midst of your storms?
- God is in charge of your storm; his prevision will provide provision.
- God is your father, and he cares for you.
- If God is the creator of storms that means that there is no storm that will overtake you as long as you focus on him
- Storms are apart of life; as Christians we have an anchor that holds us in the midst of storms.
- Refocus your attention on the one who can calm the storm instead of what is trying to overcome you!
- The enemy attacks when you are in the midst of the storm; he wants to steal your praise so he can win.
- When you focus your eyes the storm instead of the son than you miss what can be.

2. The Storm Maker

- In life it will always seem like storms come when you least expect it; storms always come without warning.
- God is like an almond tree; it may appear dormant in dead but in just the right time it comes into full bloom.
- Sometimes storms will come from those who you least expect.
- There was a storm maker; (a little boy) who was born in a storm and caused a storm everywhere he went.
- He was the eye of the storm and in the eye of the storm always at the same time.
- This little boy caused a such a strong storm to come he made fishermen become “fishers of men”.
- This storm maker healed the sick, caused the blind to see, disrupted the flow of everything that was and became what is!
- This storm maker came and blew the minds of all those who conspired to be against him.
- As the storm kept blowing it grew to hurricane magnitude; he knew there were people who needed them.
- This storm maker came to show everyone that being connected to God will cause you to overcome any storm even when it seems your boat is filling with water.
- You can overcome because you have the storm-maker (Jesus) on your side, and he can calm whatever you are going through.
- When you have Jesus, you can have peace in your life; can you weather the storms of life?
- Can you see Jesus while going through your life storms?
- God knows what he is doing in your life!
- Remember your purpose of praising God; he is worthy of all your praises.

3. The Other side

- The enemy will try to stop your praise; remember Stephen while being stoned. He saw Jesus in the midst of his storm. He praised the rock of his salvation even until death.
- Do not let the storm silence your praise; God will make rocks cry out if you don't offer up a praise.
- Do you believe that all things work together for the good?
- Do you believe that God's grace is sufficient for you?
- Do you believe that God shall supply all your needs even in the midst of your storms?

4. Survival Kit
