You have your list of questions to consider as we go to our breakout sessions. Look at those things based on where you are right now. Be transparent - be open - there is help available for you if you acknowledge that "I've fallen, and I can't get up." Let's reach out and support one another.

I like what my dear sister said - "I know what the Word says, but I'm just not there yet. I know I'll get there, but I'm not there yet."

Questions To Consider

1. What is the essence of sisterhood and how do we show our care and concern to our sisters when they are hurting.
2. How can your sister in your season help you to go through your issues? And sisters in other seasons?
3. How do you understand the "penalty of sin" and the "consequence of sinful behavior."
4. Reconcile Galatians 6:7 with penalty and consequence.
5. Why is your mindset so crucial to your faith?
6. Does a lack of faith negate your position as a daughter of God?
